EVENTS

1. 'Lessons in Strategic Warning from 9/11 and January 6' with Erik Dahl

20 July

Online

Join host Michael Ard for a curated discussion with veteran intelligence officer Erik Dahl on the intelligence analysis comparisons between the strategic warnings for 9/11 and January 6th. Erik Dahl is an associate professor of national security affairs at the Naval Postgraduate School in Monterey, California. Dahl is the author of *Intelligence and Surprise Attack: Failure and Success from Pearl Harbor to 9/11 and Beyond*, and *The COVID-19 Intelligence Failure: Why Warning Was Not Enough* (forthcoming).

2. 'Russia and China: Geopolitics and the new cyber challenge' with Michael Rogers

22 July

National Press Club, Canberra, Australia

Admiral Rogers headed the US National Security Agency (NSA) and commanded US Cyber Command as a four-star Admiral under both President Obama and President Trump. In his address to the National Press Club of Australia, Admiral Rogers will be sharing his insights on a range of issues, including cyber war lessons from the Russia-Ukraine war, the China challenge in cyberspace, and the how the AUKUS security pact can be best leveraged on cyber capability.

3. 'Agent Josephine Baker' with Damien Lewis and Jonna Mendez

27 July

Online

Prior to World War Two, Josephine Baker was a music-hall diva renowned for her singing and dancing. When the Nazis seized her adopted city, Paris, she vowed to stay and fight – going from the highest-paid female performer in Europe to Resistance spy.

Join us for a conversation about Baker with author Damien Lewis and former CIA Chief of Disguise Jonna Mendez. Lewis has uncovered little known history about the famous singer's life in his new book *Agent Josephine: American Beauty, French Hero, British Spy*.

4. "Oh So Social" Conversation Series' with David Petraeus and Michael Vickers

2 August

Online

Join General (ret) David Petraeus and Dr Michael Vickers as they talk one-on-one about the state of the world.

David Petraeus is a partner with the investment firm KKR and was formerly Director of the Central Intelligence Agency and commander of US Central Command. Michael Vickers most recently served as Under Secretary of Defense for Intelligence.

5. 'Virtual Spy Chat' with Gina Bennett

Join Spy Museum executive director Chris Costa for an online discussion of the latest intelligence, national security, and terrorism issues in the news. He will be joined by Gina Bennett, former CIA analyst and advisor. Bennett is a recently-retired seasoned counterterrorism specialist who authored some of the earliest warnings of today's terrorism trends, including a 1993 report that served as the first warning of the growing danger of the movement Osama bin Laden was fomenting.

8. *Intelligence and National Security in a Changing World*

22-23 July, 2022

Cambridge, UK

The annual CSI conference, Intelligence and National Security in a Changing World, addresses the most pressing security challenges facing governments, private industry, and even private citizens in a globalized and interconnected world. With panels and distinguished keynote speakers moderated by ISI teaching faculty, the conference offers a chance for attendees to hear first-hand insights (under the Chatham House rule) from former senior officials, intelligence and security practitioners and from academic experts.

This year's panels and lectures will explore, among others, current issues relating to China, Russia and Ukraine, The Baltic States, Sea-power, Future Tech. Confirmed speakers include Sir Richard Dearlove, Sir Tony Brenton, Dr. Tracey German, Charles Parton OBE, Professor Michael Goodman, Professor Brendan Simms, LCDR, Joe Hatfield and Dr Maxine David.
